

NOT ONE CENT MORE

Spire wants to raise your gas bill.

Kansas City families are struggling under a skyrocketing cost of living. Now our natural gas provider wants to make it worse. Spire is wanting us to pay 15% more!

Meanwhile, Spire made \$250 million in profit last year. They're doing fine. Ordinary people are NOT!

Rally with us to FIGHT BACK and stop the rate hike in its tracks:

**Tues, May 27, 6:30pm
St. Matthew AMEZ
4400 E. Linwood
